Notice to Members UPCE Scholarship Program

Dear members of the UPCE,

Your UPCE National Executive is pleased to announce the creation of an UPCE Scholarship program, set to debut in March, 2016!

AGR Insurance Brokers Inc, a partner of the Public Service Alliance of Canada "PSAC" since 1985, approached Components of the PSAC regarding a website sponsorship opportunity. In exchange for website space, AGR will disburse \$1,000 (on a yearly basis) to UPCE. In addition, your UPCE Executive has agreed to match AGR's sponsorship amount, raising the value of the UPCE Scholarship to a total of \$2,000.

The \$2,000 Scholarship Program, will be available to all UPCE members in good standing, (and their children), who are enrolled at a post-secondary institution. Some limitations may apply. The guidelines and the process are still being developed, and more information will be available by March 2016. The UPCE Scholarship Program is being rolled-out in addition to the existing PSAC program: <http://psacunion.ca/psac-scholarship-program>

Please share any recommendations you may have for the program by contacting François Paradis: paradif@psac-afpc.com

Always in solidarity,

UPCE National Executive
